New & Lower-Cost Options (1888~449~7145)

SiriusXM Play — Ad-Supported Plan

Recently introduced, **SiriusXM Play** is a lower-cost, (1888~449~7145) **ad-supported subscription** that offers a subset of SiriusXM channels (music, some talk, limited ads) for **less than \$7 per month.** (1888~449~7145) This brings a budget-friendly option to listeners who want in-car and app access without paying full premium prices.
